Acknowledgment

First, thanks are all to Allah for blessing this work until it has reached its end as a part of his generous help throughout my life.

I would like to direct special thanks to **Prof. Dr. Nehal Gamal El Din Nouh**, Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for her great support and encouragement she gave me throughout the whole work. It is a great honor to work under her guidance and supervision.

I would like to express my sincere gratitude to **Prof. Dr. Foad Abd El Mohsen Zahra**, Assistant Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for his close supervision, continuous help, and the tremendous effort he has done in the meticulous revision of the whole work.

Also, I am greatly honored to express my utmost thanks to **Prof. Dr. Raouf Ramzy Gad Alla**, Assistant Professor of Anesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, from whom I received faithful supervision, valuable suggestions, and continuous guidance throughout this work.

Finally, I wish to convey my appreciation to head master, all staff members and colleagues in Rail Way Hospital, especially **Dr. Abd El-Fatah Abd Alla Mostafa**, the senior staff of our anesthesia department for his valuable advices, generous help and continuous support.
