ACKNOWLEDGMENT

I am more grateful than words can express to Professor Dr., *Hassan El-Zaher Hassan*, Professor of Orthopaedics, Ain Shams University, for his meticulous supervision, remarkable encouraging, insightful opinion and scientific support. I am also indebted for his literary up to date ideas and information.

I would like to express my deepest appreciation to Dr. **Timour Fekri El-Husseini**, Professor in Orthopaedics, Ain Shams University, for his continuous supply of the most recent references, everlasting scientific support and influential guidance.

My sincere thanks are due to Dr., *Ezzat Mohamed El-Hawi*, Ass. Professor in Orthopaedics, Ain Shams University, for his enthusiastic support and helpful suggestion.

I wish to thank Professor Dr., *Essa Raghep*, Professor of Orthopaedics, El- Azhar University, who did not work with me directly, but supplied me with a number of valuable things

I need to take a moment to express my gratitude to all my professors for the scientific and ethical values they taught me.

To my Family I owe much for there great sympathy, compassionate help, and long hours of devotion despite many other demands on there time.

My appreciation is also extended to the staff of the Orthopaedics department, to my colleagues and to everybody whom I might have forgotten to thank for his help.
