## Acknowledgments

*I wish to express my deep gratitude to the late professor Dr. Mohamed El Mansory for his support and guide since I joined the faculty, and not just in finding the idea of this research . Actually, his experience, wide sight and good reputation contributed a lot to my academic progress . I wish he were with us to see one of his students taking a step further in her career . I will always be one of his faithful students who can not forget all the good he had done for her . And all what we can say now is God may rest his soul.*

*I would like to thank Dr. Galal Harby. In fact, no words could express my sincere gratitude and appreciation for his invaluable assistance and supervision of this research. Certainly, Dr. Harby's high standards of scientific competence and knowledge helped me a lot, not only in this research but also in my academic career as well .*

*Thank you sir for bearing my long discussions, calming me down, being available at any time and teaching me how to have a wide mentality with your sound reasoning and great patience .*

*Special thanks are due to Dr. Adel Ezz (professor of Insurance) for accepting to be the chairman of the examination committee, that gives me the chance to benefit from his long and valuable experience and knowledge in the field of insurance .*

*Also, I wish to thanks Dr. Mohamed Al Bulkini (professor of Insurance at Mansoura University) for accepting to be a member in the examination committee and enriching the research with his valuable remarks and suggestions .*

*Thanks are due to Dr. Mona Ammar (professor of Insurance) and Mr. Mohamed Naggatti (the general manager of life insurance at the egyptian insurance supervisory authority) for their immeasurable assistance during the various phases of this research . And finally, for everyone who had assisted me in preparing this research .*

*At last, but not least, my very deep gratitude, love and appreciation to my family who gave their time, money and effort so willingly to help me preparing this research . Their moral support and encouragement always stand behind any success .*

*Thank you all*

*Rewayda Tobar*

*To*

*The memory of Prof. Dr. Mohamed El Mansory,*

*My Family*

*and*

*My beloved daughter, Haidy*
