To my family, and my friends whom with their encouragement and help; this work come to the final picture, I owe my thanks and gratitude.

LIST OF CONTENTS

I. Abstract	
II. Introduction.....	1
III. Aim of the study	3
IV. Research question.....	4
V. Review of literature	5
Chapter 1:Low back pain	
➤ Definition of low back pain	6
➤ Epidemiology of low back pain.....	7
➤ Anatomy of the spine.....	8
➤ Physiology of low back pain.....	12
➤ Types of low back pain.....	12
➤ Causes of low back pain.....	13
➤ Risk factors of low back pain.....	19
➤ Signs and symptoms of low back pain.....	21
➤ Diagnosis of low back pain.....	22
Chapter 2: Occupational health nursing	
➤ Definition of occupational health nursing.....	24
➤ Philosophy of occupational health nursing.....	24
➤ Basic objectives of occupational health.....	25
➤ Occupational health nursing models.....	26

➤ Role of occupational health nurse in management of low back pain.....	34
---	----

Chapter 3: Prevention and treatment of low back pain

➤ Prevention of low back pain.....	36
➤ Exercises.	45
➤ Treatment of low back pain.....	47

IV. Subject and methods	48
V. Results.....	54
VI. Discussion.....	92
VII. Conclusion.....	104
VIII. Recommendations	105
IX. Summary	106
X. References.....	110
XI. Appendices	
XII. Arabic Summary.....	

LIST OF FIGURES

(A. Review of literature)
