بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

ACKNOWLEDGMENT

First and foremost, thanks to **Allah**.

No word can fulfill the feelings of gratitude and respect I carry to **Prof. Dr. Tarek Essmael Auf**, Prof. of General Surgery, **Ain-Shams University**, who horned me by his kind supervision, continuous help, and fatherly advice in all stages of this work. He spared no effort and time for generous detailed supervision and advising and pushing me forward. I will always appreciate his great help and assistance.

I would like to express my extreme thankfulness, appreciation, and profound gratitude to **Dr. Ahmed Alaa Eldin Abdel Mageed**, Assistant Prof. of General Surgery, **Ain-Shams University**, for his continuous guidance, and kind supervision throughout this study.

My supreme gratitude is due to Dr. **Ahmed Abdel Aziz Ibrahim**, Assistant Prof. of Cardiothoracic Surgery, **Ain-Shams University**, who kindly supplied me with all necessary facilities to complete this essay.

I am deeply thankful to all staff members and colleagues in Department of General Surgery and Cardiothoracic Surgery in **Ain-Shams University** for helping me to accomplish this work.

Mohamed Abdel Samee, 2005
