## Acknowledgment

This work would never be crowned by success without blessing of Allah to whom my loyalty will remain forever beyond any compromise.

I wish to express my deepest and ultimate gratitude to Prof. Dr. **Kamal M. Abdel Hafez**, Professor of Dermatology, Venereology & Andrology, Faculty of Medicine, Assiut University, who suggested the subject and helped me to take the first step. His kind supervision and parental attitude could not be denied. Also, his continuous guidance and kind encouragement throughout this work was a stimulus for its completion.

I wish to express my thanks and deepest gratitude to Dr. **Ayman Mohammed M. Mahran**, Lecturer of Dermatology, Venereology & Andrology, Faculty of Medicine, Assiut University. His faithful encouragement, continuous guidance, valuable advices gave me the motive to utilize available resources in order to put this thesis in an acceptable form.

I am grateful to Dr. **Khaled Ahmed Mohammed El-beh**, Lecturer of Psychiatry, Faculty of Medicine, Assiut University, for his endless help, guidance, faithful encouragement and his precious remarks and instructions for this work.

I am greatly indebted to Dr. **Eman Riad Mohammed**, Assistant professor of Dermatology, Venereology & Andrology, Faculty of Medicine, Assiut University, for her valuable advices, continous guidance and constant encouragement.

I wish to express my deepest gratitude to Dr. **Alaa Mohammed Darwish**, Lecturer of Psychiatry, Faculty of Medicine, Assiut University, for his continuous guidance and kind encouragement throughout this work.

Last but not least, I should be most grateful to all **Staff Members**, colleagues, employee and psychologists for their continuous encouragement, support and great help.

**Ahmed Abdel Aal**
