ACKNOWLEDGEMENT

I would like to express my greatest appreciation and immense gratitude to Prof. Dr. Mostafa Hemeda, Prof. and head of the Department of PLSTIC AND Reconstructive Surgery, Faculty of Medicine Ain Shams University, for his great support, continuous encouragement from the very first moment of my career.

I would like to express my deepest gratitude and appreciation to Prof. Dr. Ahmed Mohamed Lotfy Prof. of General Surgery Faculty of Medicine, Ain Shams University for his kind guidance and precious help in the development and production of this work,

I am very thankful and really appreciable to Ass. Prof. Dr. Saad Salah El-Fayoumi Assistant Professor of Plastic and Reconstructive surgery, Faculty of Medicine, Ain Shams University, for his guidance and sincere advice. Without his kind supervision, this work would have never seen the light.

I would like to express my great thanks to Ass. Prof. Hebbat Allah Hussein Ass. Prof. of Plastic and Reconstructive surgery, Faculty of Medicine, Ain Shams University, for her great support throughout the preparation of this work

I would like to express my deep gratitude to all members of the plastic surgery department & burn unit especially Dr. Amr Magdy for his great help throughout the work and to Dr. Iman El-Lithy to whom I owe most of my knowledge and training in Bronchoscopy.
