## **ACKNOWLEDGMENT**

*Praise to ALLAH, the Merciful, the Compassionate*

I am absolutely lucky to be supervised and directed by Professor Dr. *Mohamed Nasser Kotby*, Father and Professor of Phoniatics in the Middle East, Ain Shams University, who kindly offered his valuable guidance, eminent supervision, unfailing help and advice with great experience throughout this study.

I would like to express my deepest gratitude to Dr. *Alia EL-Shobary*, Assistant professor of Phoniatics, Faculty of Medicine, Ain Shams University, for her continuous help, encouragement, valuable instructions, wise advice, fruitful criticism and meticulous supervision.

I am greatly indebted to Dr. *Omima El-Gibaly* Lecturer of Public health and Community Medicine, Faculty of Medicine, Assiut University, for her expert guidance in the fieldwork, valuable suggestions during data collection and analysis and efforts she made in the entire survey.

I would like to express my gratitude to Dr. *Emad Kamel Abdel Halim*, lecturer of phoniatics, Faculty of Medicine, Assiut University, for his kind assistance and encouragement during the study.

I would also like to extend my great appreciation to all staff members, colleagues, employee and workers in Phoniatic unit, Assiut University and Ain Shams University especially Mr. *Mohamed El-Sherief*, logopedist, who helped me very much in data collection.

Lastly, thanks to every person who gave me a hand during the progress of this study.

## Contents

	Page
* Introduction .....	1
* Aim of the study .....	4
* Review Of Literature .....	5
- Disorders of communications .....	5
- Disorders of voice .....	11
- Disorders of speech .....	18
- Disorders of language .....	23
* Epidemiology .....	28
- Definition of epidemiology .....	28
- Measures of disease frequency .....	29
- Types of epidemiological studies .....	31
- Previous epidemiological studies .....	36
* Material and Methods .....	47
* Results .....	51
- Sociodemographic characteristics in rural areas.....	52
- Sociodemographic characteristics in urban area .....	58
- Socio-economic standard of study populatio.....	65
- Prevalence of communicative disorders .....	67
- Description of cases in rural areas.....	77
* Language disorders .....	77
