TO

My heart- fell thanks to **my parents** for love, encouragement and understanding. They are a living example of gratitude and self- sacrifice. To both of them this work is DEDICATED.

Acknowledgement

Acknowledgements

*First and above all, thanks to **ALLAH**, the source of knowledge and wisdom, who enabled me to complete this work.*

I would like to thank Prof. Natsu Yasui ,my God Father in Japan, Head of Orthopedic Surgery and Traumatology Tokushima University Hospital. Shikuko Island, Japan, who directed my efforts throughout this work and from my heart thanks too much to my colleague in lovely Japan.

*My deepest thanks go also to **prof. Mohamed Bahei ElDeen El-Shafet** ,my God Father in Egypt,Professor of Orthopaedic surgery and Traumatology Department, Faculty of Medicine, El- Minia University, his generosity, kindness and humanity are unique and everlasting. To him, in simple but expressing words, thank you.*

*My deepest thanks go also to **prof. Husain Abd ElSalam Nazeem** Professor of Orthopaedic surgery and Traumatology Department, Faculty of Medicine, El- Minia University, his fatherly attitude and full support are outlasting and beyond acknowledgements.*

*I am appreciate to, **Prof ALI ZEIN ELABDEEN AHmed**, Professor of Orthopaedic surgery and Traumatology Department, Faculty of Medicine, El- Minia University, for his suggestion of the subject of the study and revising all aspects of the work*

To all staff members of Orthopaedic surgery and Traumatology Department, Faculty of Medicine, El- Minia University, who dedicated their times to help and supporting me during my work, their valuable advise are beyond acknowledgement.

Introduction

The word "Introduction" is rendered in a large, bold, black serif font. It is positioned on a textured, grey surface that resembles a book cover or a piece of paper. A shadow is cast from the left side of the letters onto the surface, giving the text a three-dimensional appearance.
