# ACKNOWLEDGEMENTS

#### ACKNOWLEDGEMENTS

"I do thank Allah for all gifts given to me"

I would like to express my sincerest gratitude and appreciation to Prof. Dr. A. M. Ahmed, Prof. Dr. M. M. Heikal, Dr. M. A. El Tayeb and Dr. A. M. Ismail, for suggesting and supervising this work and their kind guidance and invaluable advices throughout the work.

I am also deeply indepted to *Prof. Dr. F. El-Hissy*, Head of Botany Department. Assist University and *Prof. Dr. M. A. Shaddad*, Botany Department, Assist University, for the facilities generously provided and for their constant encouragement and human kindness.

My sincerest thanks are also due to *Prof. Dr. H. Mansour*, Dean of Faculty of Science, Qena and *Prof. Dr. H. El-Sharouny*, Head of Botany Dpartment, Faculty of Science, Qena for their continuous encouragement.

Thanks are also due to all members of Botany Department,
Faculty of Science at Qena, South Valley University.

Finally, my family, my friends and all who have given me moral support are deeply acknowledged.

Sohair T. Hamed
