

# **THE EFFECT OF PLATELET RICH FIBRIN (PRF) AND ENAMEL MATRIX DERIVATIVE ON THE HEALING PROCESS OF THE PERIAPICAL TISSUES AFTER ENDODONTIC SURGERY (*CLINICAL STUDY*)**

**A Thesis**

Submitted to the Faculty of Dentistry, Ain Shams University,  
in Partial Fulfillment of Requirements of Doctorate Degree  
in **Endodontics**

By

**Amgad Hassan Soliman**

**Assistant Lecturer of Endodontics, Future University  
(B.D.S, Ain Shams University-2007, M.D.S, Ain Shams University-2013)**

**Faculty of Dentistry,  
Ain Shams University  
2017**

## ***SUPERVISORS***

**Prof. Dr.**

**Salma Hassan El-Ashry**

Professor of Endodontics  
Faculty of Dentistry  
Ain Shams University

**Prof. Dr.**

**Ahmed Abdel Rahman Hashem**

Professor of Endodontics  
Faculty of Dentistry  
Ain Shams University

# تأثير كل من الصفائح الدموية الغنية بالفيبرين ومشتقات المينا المصفوفة على عملية شفاء الأنسجة القمية بعد الجراحة الجذرية

رسالة

مقدمة لكلية طب الأسنان - جامعة عين شمس

توطئة لاستكمال المتطلبات للحصول على درجة الدكتوراه في

علاج الجذور

مقدمة من

## *Dedication*

### *My Dear Parents*

*whom I owe everything I ever did  
and will achieve ...*

### *My wife*

*for always being there for me  
and her continuous support ...*

### *My Lovely sons*

*for endless love, and being the light  
of my life ...*

# *Acknowledgement*

*Before all, I am always indebted to “Allah” the kindest and the most merciful who granted me the ability to perform the work of the thesis.*

*I would like to express my deep gratitude and grateful appreciation to **Professor Dr. \ Salma Hassan El Ashry**, Professor of Endodontics, Faculty of Dentistry, Ain Shams University, for her supervision, valuable expert guidance that enabled me to begin and complete my work successfully and unlimited support during the entire course of the study.*

*I would like to gratefully acknowledge the support, supervision and kindness of **Professor Dr. \ Ahmed Abdel Rahman Hashem**, Professor of Endodontics, Faculty of Dentistry, Ain Shams University. His moral support and continuous guidance and he gave me a generous help throughout my study.*

*Finally, endless, thanks are extended to head of endodontic department, all my professors, staff members and colleagues of endodontic department in Ain Shams and Future University for their support and concern.*

Amgad Hassan Soliman

## LIST OF TABLES

<b>Table No.</b>	<b>Table</b>	<b>Page</b>
1	The mean, standard deviation (SD) values of change in mesio-distal length along different time periods in group I.....	82
2	The mean, standard deviation (SD) values of change in mesio-distal length along different time periods in group II .....	82
3	The percentage of change in mesio-distal length along different time periods in group I & II .....	83
4	The mean, standard deviation (SD) values of change in mesio-distal length in group I along different subgroups.....	85
5	The mean, standard deviation (SD) values of change in mesio-distal length in group II along different subgroups.....	85
6	The mean, standard deviation (SD) values of change in superior-inferior height (width) along different time periods in MTA group .....	90
7	The mean, standard deviation (SD) values of change in superior-inferior (width) along different time periods in Biodentine group .....	90
8	The percentage of change in superior-inferior height (width) along different time periods in group I & II .....	91
9	The mean, standard deviation (SD) values of change in superio-inferior height (width) along different subgroups within group I.....	93
