ACKNOWLEDGMENT

First of all , I would like to thank ALLAH.

No words can express my deepest gratitude and appreciation to Professor Dr. **Mohamed Salah El-Dein Shawky** for his Kind supervision , continuous guidance and sincere encouragement during the whole work .

I would like also to express my sincere thanks and deepest gratitude for **Dr. Mohamed Akef Saleh** for his sincere encouragement , keen supervision , unlimited support and useful advices.

AIM OF THE WORK

- To review the anatomy of the arches of the foot and their supporting factors.
- To review the role of foot in gait and weight bearing.
- To review the possible causes of flatfoot.
- Proper clinical ,radiological and arthroscopic assessment.
- Effective management that will results in achieving the optimal rest and
function of the foot either conservative ,open operative or arthroscopic.

CONTENTS

<u>TITLE</u>	<u>PAGE</u>
- <i>List of figures</i>	
- <i>Introduction</i>	
- <i>Chapter (1) : Relevant anatomy :</i>	
• <i>Arches of the foot</i>	1
• <i>Factors supporting the arches of the foot</i>	6
- <i>Chapter (2) Relevant biomechanics</i>	16
- <i>Chapter (3) Etiology</i>	
• <i>Congenital flatfoot</i>	22
• <i>Acquired flatfoot</i>	23
- <i>Chapter (4) pathoanatomy</i>	
• <i>Congenital flatfoot</i>	27
• <i>Acquired flatfoot</i>	27
- <i>Chapter (5) Clinical assessment</i>	
• <i>History & Examination</i>	34
• <i>Congenital flatfoot</i>	
A. <i>Flexible flatfoot</i>	37
B. <i>Rigid flatfoot</i>	40
• <i>Acquired flatfoot</i>	42
- <i>Chapter (6) Radiological assessment</i>	
• <i>Plain radiographs</i>	46
• <i>Computed tomography</i>	56
• <i>Magnetic resonance imaging</i>	58

• Ultrasonography	64
• Tenography	65
• Bone scan	65
- Chapter (7) Diagnostic arthroscopy	66
- Chapter (8) Conservative treatment	
• Orthotic devices	70
• Congenital flatfoot	74
• Acquired flatfoot	74
- Chapter (9) operative management	
• Congenital flatfoot	
A. flexible flatfoot	79
B. Rigid flatfoot	
i- Tarsal coalition	96
ii- Accessory navicular bone	101
iii- Congenital vertical talus	105
• Acquired flatfoot	112
- Chapter (10) Arthroscopic intervention	131
- Summary	135
- References	138
- Arabic summary
