ACKNOWLEDGMENT

First and foremost, I am greatly thankful to ALLAH for granting me the power to accomplish this work.

I was fortunate to conduct this work under the supervision of *Prof. Dr. Ingy T. Lebshtien, Professor of Removable Prosthodontics*; I am in deep gratitude for her faithful supervision and guidance.

I am deeply grateful to *Dr. Ahmed Osama, Associate professor of Prosthodontics*, for his unlimited patience, considerable help and for all the valuable time he has generously given to me.

Finally, I wish to express my sincere gratitude to all my professors, staff members for their endless-cooperation.
