Acknowledgement

First and foremost, thanks to God, the most beneficent and most merciful.

I would like to express my sincere appreciation and deepest gratitude to Prof. Dr. Bahira Mohamad Tewfik, for her continuous supervision, illuminating guidance, constructive criticism and wise counsel as well as her support throughout this work.

I am greatly honored to express my endless gratitude to Assistant Prof. Dr. Halla Gomaa Salama, who gave her valuable time in revising every item in this work. It has been a great honor and extreme pleasure for me to proceed with this work under her supervision.

I am greatly obliged to Dr. Sherif Wadie Nashed, for his help and co-operation in this work. It was a great honor and a chance of a lifetime to work with him.

Thab Mohamad Amer
