ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

First, I love to express my gratitude to God; I ask Thy Blessings through my way.

I will always acknowledge the great help, scientific guidance and assistance of Prof. Dr. Amal Ayoub, Professor of Cardiology, Ain Shams University. She will ever be the example to me and the generations to come.

With my great pleasure, I wish to express my sincere indebtedness to Prof. Dr. Ramez Guindy, Professor of Cardiology, Ain Shams University, and Head Chief of Cardiology Department, Italian Hospital in Cairo. He sacrificed a lot of his busy time to help and direct me by his invaluable instructions, scientific guidance and avail of the equipment and devices within the department that allowed me to complete this work.

I wish to express all the gratitude to Prof. Dr. Mohamed Awad Taher, Professor of Cardiology, Ain Shams University, for his great help, advice and valuable instructions he has offered throughout the work.

I owe a great debt to Prof. Dr. Tarek Zaki, Professor of Cardiology, Ain Shams University, who gave me much of

his knowledge and experience with which I succeeded to complete this study.

Finally, I wish to extend my appreciation and thanks to all the Cardiology staff and Ma Soeure at the Italian Hospital in Cairo, all the patients who did and who did not participate in this study, wishing them good health.
