Dedication

*I am dedicating this work to my parents;
brother and sister as without their patience,
love, dedication, guidance and support I
would not be where I am today;*

*And to my lovely wife and daughter for their
unconditional love, encouragement and
support.*

Acknowledgement

First of all, I would like to express my deepest gratitude and thanks to **ALLAH** whose magnificent help and blessings is the main factor in everything we achieve and accomplish in our lives

I would like also to express my deepest feelings of appreciation and gratitude to **Prof. Dr. Hala Ahmed Abuel-Ela**, *Professor of Oral Medicine, Periodontology and Oral Diagnosis, Faculty of Dentistry Ain Shams University* for her unconditional support, care and guidance. Also for being a great advisor and mentor throughout the progress of this study with her great patience and continuous motivation

My deep appreciation also goes to **Dr. Fatma Hamed Mohammed El Demerdash**, *Lecturer at Oral Medicine, Periodontology and Oral Diagnosis Department, Faculty of Dentistry, Ain Shams University* for her great effort, as well as being co-operative and providing me with all possible knowledge.

I am also very grateful to **Dr. Olfat Shaker**, *Professor of Medical Biochemistry, Faculty of Medicine, Cairo University* for her instructive leading comments during the progress of this study, and her support, encouragement and kind advice.
