

Clinical Scoring versus Endoscopic and Histopathological Findings of upper Gastrointestinal Presentations

Thesis

Submitted For partial Fulfillment of Master Degree
in Pediatrics

By

Bassem Ali Abdelrazek Moustafa

M.B.B.CH (2010)
Faculty of Medicine
Ain Shams University

Under Supervision of

Prof. Mostafa Abdel-Aziz El-Hodhod

Professor of Pediatrics
Faculty of Medicine – Ain Shams University

Dr. Marwa Talaat El-Deeb

Assistant Professor of Pediatrics
Faculty of Medicine – Ain Shams University

**Faculty of Medicine
Ain Shams Univeristy
2015**

Acknowledgement

*First and foremost, thanks to **Allah**, to whom I relate any success in achieving any work in my life.*

*I wish to express my deepest thanks, gratitude and appreciation to **Prof Dr. Prof. Mostafa Abdel-Aziz El-Hodhod**, Professor of Pediatrics, Faculty of Medicine – Ain Shams University, for his sincere encouragement, constant advice and valuable guidance throughout the performance of this work. I really have the honor to complete this work under his supervision.*

*I owe special gratitude to **Dr. Marwa Talaat El-Deeb**, Assistant Professor of Pediatrics, Faculty of Medicine – Ain Shams University, for her close supervision and continuous advice which gave me the best guide during different stages of this work.*

*Special thanks go to **Prof. Dr. Ahmed Hamdy**, for his support and cooperation in the whole work.*

I can't forget to thank all members of my Family, especially my Parents, my Wife and my Daughter, for pushing me forward in all steps in my career.

 **Bassem Ali Mostafa**

<i>Subject</i>	<i>Page No.</i>
List of Abbreviations.....	i
List of Tables.....	iii
List of Figures	iv
Introduction	1
Aim of the Work.....	5
Review of Literature	
Upper Gastrointestinal Symptoms.....	6
Endoscopic Findings.....	22
Histopathological Findings.....	44
Subjects and methods.....	59
Results	68
Discussion	109
Summary	121
Conclusion	
Recommendations	124
References	127
Arabic Summary	—

List of Abbreviations

CMPA	: Cow's milk protein allergy
DJ	: Duodenojejunal
EGD	: Esophagogastroduodenoscopy
EoE	: Eosinophilic esophagitis
FGIDs	: Functional gastrointestinal disorders
GER	: Gastroesophageal reflux
GERD	: Gastroesophageal reflux disease
GI	: Gastrointestinal
GIT	: Gastrointestinal tract
HD	: Hetzel-Dent Classification
IBD	: Inflammatory bowel disease
IBS	: Irritable bowel syndrome
LA	: Los Angeles classification
LDA	: Low-dose aspirin
NG	: Nodular gastritis
NPO	: Nothing per orifice
NSAIDs	: Non steroidal anti inflammatory drugs
PPI	: Proton pump inhibitor
SSRI	: Selective serotonin reuptake inhibitor
UGIE	: Upper Gastrointestinal endoscopy

List of Tables

<i>Table No.</i>	<i>Title</i>	<i>Page No.</i>
<u>Review of Literature</u>		
Table (I):	Causes of vomiting	9
Table (II):	Causes of dysphagia.....	11
Table (III):	Causes for upper GI hemorrhage	16
Table (IV):	Upper gastrointestinal symptoms grading according to Loeb	21
Table (V):	Indications of upper GI endoscopy:	23
Table (VI):	Proposed classification and grading system for the endoscopic assessment of the esophageal features of eosinophilic esophagitis:	30
Table (VII):	Gastric mucosal injury	40
Table (VIII):	Joffe classification of duodenitis:	41
Table (IX):	Definition and causes of esophageal eosinophilia	46
Table (X):	Diseases associated with esophageal eosinophilia:	47
Table (XI):	Comparison of histopathologic features of Eosinophilic esophagitis and Gastroesophageal reflux disease	48
Table (XII):	Criteria for the diagnosis of GERD and esophagitis on endoscopic biopsies (ESPGHAN).	50
Table (XIII):	Grading criteria of gastric biopsies and duodenal according to revised Sydney System by.....	53
Table (XIV):	Modified Marsh Classification of histologic findings in celiac disease (Oberhuber).....	57
