Approval Sheet

Name : Shadia Mustafa Bakry

**Title : Biological and Ecological studies on
mosquitoes with special reference *Culex pipiens***

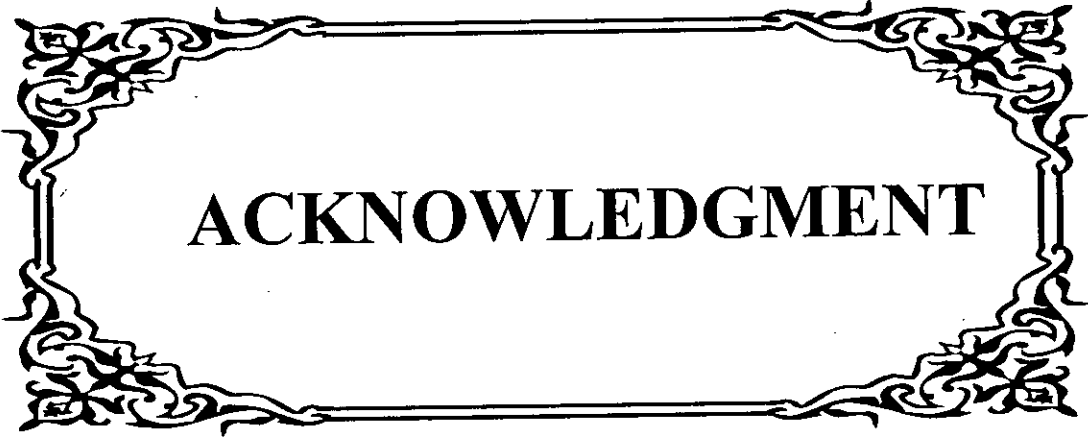

Supervised by

Prof. Dr. M . Z . Y . Aly
Prof. Ecology of Entomology
Head of Zoology Department
Faculty of Science
South Valley University

Dr . R . A . M . Badran
Assistant Prof. of Microbiology
Department of Botany
Faculty of Science
South Valley University

Dr . A . S . AL- Ebiary
Lecturer of Entomology
Department of Zoology
Faculty of Science
Helwan University

1999

A decorative rectangular border with ornate, symmetrical scrollwork and floral patterns at each corner and along the sides. The border is composed of two parallel lines with intricate designs between them.

ACKNOWLEDGMENT

ACKNOWLEDGMENT

" I do thank God for all gifts he gave me "

I wish to express my deepest immeasurable thanks and gratitude to prof .Dr.M.Z.Y. Aly (Professor of Entomology and Head of Zoology Department, Faculty of Science, at Qena , South Valley University)for his keen supervision and indispensable efforts, valuable guidance , continuous kind encouragement and advice throughout the achievement of this work and for reviewing the manuscript .

I am especially gratefull to Dr . R . A . M . Badran (Assistant Professor of Microbiology, Botany Department, Faculty of Science, at Qena, South Valley University) and Dr. A . S . AL – Ebiary (Lecturer of Entomology, Department of Zoology, Faculty of Science, Helwan University) for their kind help in supervising this work .

Deep gratitude to Prof . Dr . Hesham Ragih , Dean of Faculty of Science, at Qena, South Valley University, for his kind and excellent research facilities he provided .

My cardial thanks and sincere indebtedness are specially extended to Dr. A.S.M. Mustafa(Assistant Professor of Ecology; Zoology Department, faculty of Science, Qena, South

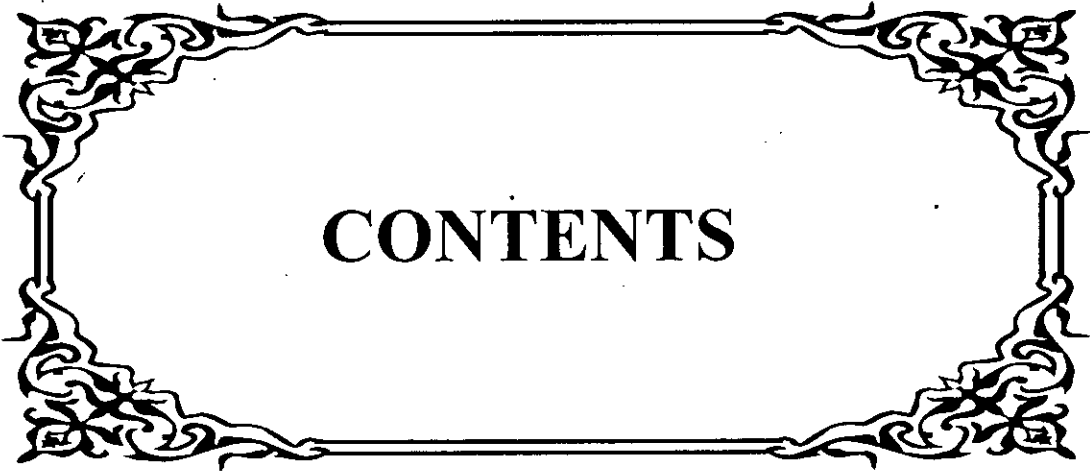

Valley University) for his scientific advice and interpretations throughout the period of the work .

Special thanks to Dr. **M . A . EL – Tayb** and Dr. **Y. M . karabawy** (Botany Departement , Faculty of Science , Qena , South Valley University) for their valuable advice and kind help in this work .

I must offer my deepest appreciation and gratitude thanks to my parents and all members of my family for their valuable help and continuous encouragement .

Shadia Mustafa
