Acknowledgments

First of all, and foremost, all thanks to **ALLAH**, Most gracious and Most Merciful.

First, I would like to express my deep gratitude and thanks to *Prof. Dr. Sayed Abd Elhamed. Abdulllah*, Professor of Obstetrics and Gynaecology, Faculty of Medicine, Assiut university, for his kind help and keen guidance throughout the course of the study. I am so glad to have the opportunity to work under his supervision.

I wish to express my deepest appreciation and profound gratitude to *Prof. Dr. Alaa-Eldin A. Youssef* Obstetrics and Gynaecology, Faculty of Medicine, Assiut University who initiated and assigned this work and for his kind support and continuous encouragement throughout the course of the study.

I would like to express my immense gratitude and appreciation to *Dr. Hazem S. Mohamed*, Assistant Professor of Obstetrics and Gynaecology, Faculty of Medicine, Assiut University for his assistance, kind advice and sincere guidance throughout the course of the study.

Many thanks to all the staff members of Obstetrics and Gynaecology Department, for their continuous guidance, assistance and sincere co-operation.

Finally, I would like to extend my great appreciation to my family for their continuous help and encouragement during performing this work.
