# **MANAGEMENT OF PENETRATING CRANIOCEREBRAL INJURIES**

## **ESSAY**

Submitted for partial fulfillment of Master Degree in  
**General Surgery**

By

**Amr Moustafa Hassan Mazhar**

M.B., B.Ch.

**Under Supervision Of**

**Prof. Dr. Ahmed Mahmoud Saadeldin (MD)**

Professor of General & Vascular Surgery

Faculty of Medicine

Ain Shams University

**Assist.Prof. Dr. Wageeh Fawzy Abdel Malek (MD)**

Assistant Professor of General & Vascular Surgery

Faculty of Medicine

Ain Shams University

**Dr. Ahmed Farouk Mohamed (MD)**

Lecturer of General & Vascular Surgery

Faculty of Medicine

Ain Shams University

**Faculty of Medicine**

**Ain Shams University**

**2009**

## ACKNOWLEDGEMENTS

First and foremost, thanks to **God** who; gave me the ability to complete this work.

I would like to express my sincere and deep gratitude, to my **Prof. Dr. Ahmed Mahmoud Saadeldin** (Professor of General & Vascular Surgery, Faculty of Medicine - Ain Shams University) for his kind help, cooperation, and valuable suggestions. It is a great honor to work under his guidance and supervision.

Also, I am very grateful to **Dr. Wageeh Fawzy Abdel Malek** (Assistant Professor of General & Vascular Surgery, Faculty of medicine - Ain shams university) for his valuable help and keen interest in the progress and accomplishment of this work.

And I would like to express my thanks and appreciation to **Dr. Ahmed Farouk Mohamed** (Lecturer of General & Vascular Surgery, Faculty of medicine - Ain shams university) for his supervision, continuous guidance, cooperation and helpful instructions.

## **CONTENTS**

Acknowledgments	I
List of Tables	V
List of Figures	VII
List of Abbreviations	IX
Introduction and Aim of The Work.	1
Landmarks in The History of Penetrating Craniocerebral Injuries.	9
Incidence and Epidemiology of Penetrating Craniocerebral Injuries.	19
Biomechanical Consideration in Penetrating Craniocerebral Injuries.	25
Pathophysiology of Penetrating Craniocerebral Injuries.	41
Diagnosis of Penetrating Craniocerebral Injuries.	49
Complications of Penetrating Craniocerebral Injuries.	91
Management of Penetrating Craniocerebral Injuries.	103
Outcome and Prognosis of Penetrating Craniocerebral Injuries.	149
Future and Controversies.	155
Conclusions.	159
References.	163
Arabic Summary	179

## List of Tables

Table No.	Title	Page
1.	Glasgow Coma Scale	71
2.	Glasgow Coma Scale for Pediatrics	73
3.	Severity of TBI and duration of LOC	74
4.	Motor function scale	79
5.	Glasgow Outcome Scale	154

## List of Figures

Figure No.	Title	Page
1.	A selection of shot cartridges.	28
2.	Spin stabilization of the bullet.	30
3.	A selection of Bullets.	34
4.	Careening.	35
5.	Tangential Wound.	36
6.	Penetrating wound.	37
7.	Ricochet.	38
8.	Perforating wound.	39
9.	Lateral skull radiograph showing a stab wound to the head produced by a large knife	46
10.	AP and lateral skull radiograph showing a stabbing with a knife penetrating the skull through the orbit.	47
11.	CT scan brain showing a GSW to the right frontoparietal region, with a large midline subdural hematoma.	85
12.	CT Scan brain showing a PBI. Multiple retained bone and metal fragments are visible in the right hemisphere, and a small foreign body is seen in the trigone of the right lateral ventricle.	87
13.	CT Scan brain showing a gunshot wound to the left temporal region, note entry of air into the skull and collapse of the missile track.	98
