البقرة (٣٢)

Acknowledgment

At first and foremost thanks to "ALLAH" who granted me the power to finish this work.

*I would like to express my deepest gratitude and profound respect to my professor, **Dr. Gehan Ahmed Mostafa**, professor of Pediatrics, Ain Shams University, for her continuous support, enriching observations and sincere advice throughout this work.*

*My heartfelt thanks and appreciation are due to **Dr. Hoda Yahya Tomoum**, professor of pediatrics, Ain Shams University, who offered me a lot of guidance and encouragement while supervising every step of this work.*

*Special appreciation goes to **Dr. Samar Abd Allah Mohamed Salem**, professor of Dermatology, Venereology and Andrology, Ain Shams University, for her great support, fruitful comments, valuable encouragement and guidance.*

*I would also like to thank **Dr. Manal Mohamed Abd El Aziz**, professor of Clinical Pathology, for her kind and active participation in the laboratory part of this work.*

To my colleagues, my patients and to everyone who participated one way or another in this work, I owe my thanks and appreciation.

Amal EL Awady EL Deep

DEDICATION

To

My Mother

My Father

and my Sister
