Acknowledgement

First of all, thanks to Allah whose magnificent help was the main factor in completing this work,

I would like to express my deepest appreciation, respect and thanks to Prof. Dr. Bahaa Aldin Awis Hassan, Professor of Anesthesia, Intensive Care & Pain Management, Faculty of Medicine - Ain Shams University, for his continuous guide in all aspects of life beside his great science, knowledge and information.

It has been a great honor for me to work under his generous supervision Great words really needed to express my gratitude, sincere appreciation and respect to Prof. Dr. Ahmed Nagah Al Shaer, Professor of Anesthesia, Intensive Care & Pain Management, Faculty of Medicine - Ain Shams University, who continued to provide me his guidance ever since. Without his great help, teaching and supervision, this work would not have been completed.

No words can express my deep sincere feelings Towards Dr. Nevine Girgis Fahmy, Lecturer of Anesthesia, Intensive care & Pain Management, Faculty of Medicine - Ain Shams University for her continuous encouragement, guidance and support she gave me throughout the whole work. It has been a great honor for me to work under her generous supervision.
