Acknowledgement

No words can ever express my sincere gratitude and great thanks to the late **Prof. Dr. Ahmed M. A. Kaddah** Professor of Organic Chemistry, Faculty of Science, Ain Shams University for his support and his helpful ways in doing the tests during the course of this work. I wish he was with us now, I am asking ALLAH to forgive all his sins , let him in Paradise with prophets and pious and inspire his family with patience.

Thanks to **Prof. Dr. Ahmed I. Hashem** for his helpful cooperation in completing this work to be in good manner after Prof. Dr. Ahmed Kaddah departed from us.

I wish to express my sincere and deep thanks to **Prof. Dr. Wedad M. Abd El-Azim Bakry**, marketing general manager, Alexandria Co. for Petroleum Additives (ACPA) for suggesting the problem, continuous supervision, fruitful discussions during the experimental work and for her valuable advise during the course of this work.

Thanks to the staff of Research Center, Misr Petroleum Co., and very special thanks to the staff of chemical laboratories, Cairo oil refining Co., Tanta lab. and Mostrod for their long help during the experimental work.
