B. Sc. in Botany (2009)

(Faculty of Science, Ain-Shams University)

**Supervisors**

***Prof. Dr. Abd El-Salam Mohamed Shaaban***

Prof. of Phycology

Faculty of Science

Ain-Shams University

***Prof. Dr. Manal Mohamed Emam***

Prof. of Plant Physiology

Faculty of Science

Ain-Shams University

***Dr. Hoda Anwer Mansour Harb***

Assist. Prof. of Phycology

Faculty of Science

Ain-Shams University

**(2016)**

# M.Sc. Thesis

**Name:** Neamat Hassan Sayed Mostafa

**Title:** "Biochemical evaluation on some oligohalopic and euhalopic algae from Egypt"

**Degree:** Master of Science (Botany, Phycology)

**Supervisors:**

**Prof. Dr. Abd El-Salam Mohamed Shaaban**

Emeritus Professor of Phycology

Botany Department, Faculty of Science

Ain-Shams University

**Prof. Dr. Manal Mohamed Emam**

Professor of Plant Physiology

Botany Department, Faculty of Science

Ain-Shams University

**Dr. Hoda Anwer Mansour Harb**

Assistant Professor of Phycology

Botany Department, Faculty of Science

Ain-Shams University

**Head of Botany Department**

**Prof. Dr. Maher Mohamed Shehata**

# Approval Sheet

*Title of Thesis:*

## Biochemical evaluation on some oligohalopic and euhalopic algae from Egypt

Name of student: ***Neamat Hassan Sayed Mostafa***

Degree: ***Master of Science in Botany (Phycology)***

This Thesis for the M.Sc. Degree has been approved by:

***Prof. Dr. Ibraheem Borie Mohamed Ibraheem***

Professor of Applied Phycology
Botany and Microbiology Department, Faculty of Science
Beni-Suef University

***Prof. Dr. Hala Mohamed Safwat El-Bassiouny***

Professor of Plant Physiology
Botany Department, Agriculture and Biology Division
National Research Center

***Prof. Dr. Abd El-Salam Mohamed Shaaban***

Professor of Phycology
Botany Department, Faculty of Science
Ain-Shams University

***Prof. Dr. Manal Mohamed Emam***

Professor of Plant Physiology
Botany Department, Faculty of Science
Ain-Shams University

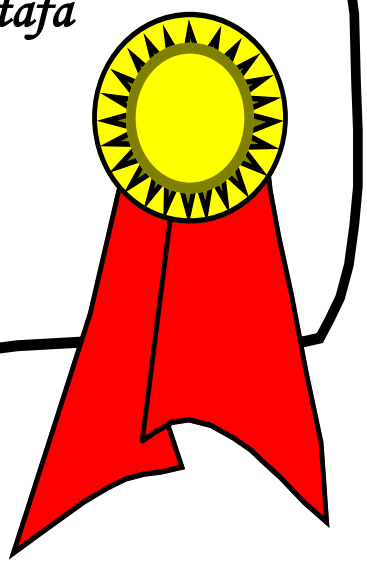
Head of Botany Department

**Prof. Dr. Maher Mohamed Shehata**

**This thesis has not been previously submitted for any degree at this or any other university.**

**The references in the text will show specifically the extent to which I have availed myself of the work of other authors.**

*Neamat Hassan Sayed Mostafa*



# ACKNOWLEDGMENT

***Firstly and Finally Thanks to Allah for helping me to finish this work.***

*I would like to express my sincere gratitude to* ***Prof. Dr. Abd El-Salam Mohamed Shaaban,*** *Professor of phycology, Botany Department, Faculty of Science, Ain Shams University,* ***Prof. Dr. Manal Mohamed Emam****, Professor of plant physiology, Botany Department, Faculty of Science, Ain Shams University and* ***Dr. Hoda Anwer Mansour Harb*** *Assistant professor of phycology, Botany Department, Faculty of Science, Ain Shams University for suggesting the point]] of this study and for their continuous support, kind supervision, fruitful discussions throughout this work.*

*Especial grateful to* ***Prof. Dr. Maher Mohamed Shehata****, Head of Botany Department, Faculty of Science, Ain Shams University, for his encouragement and valuable help.*

*I am also greatly indebted to my family that has been wishing me the best success.*

# DEDICATION

***To my***

***Parents,***

***Husband***

&

***Little sons***
