ACKNOWLEDGMENTS

Thanks first and last to GOD as we owe him for his great care, support and guidance in every step in our life.

I would like to express my profound gratitude and cardinal appreciation to my Prof. Dr. SHEREEN AHMED KHALIL, Professor of Orthopaedic Surgery, Benha Faculty of Medicine, for his moral support, valuable supervision and fruitful criticism. He is not only my professor to whom I am very grateful but he is also a human to whom I wish always the best of everything.

I wish also to express my deepest thanks to Prof. Dr. MOHAMED SALAH SAHAWKY, Assistant professor of Orthopaedic surgery, Benha Faculty of Medicine, for his generous cooperation and Constructive supervision during this work.

Special acknowledgment is give to Prof. Dr EMAD ELDDIN ESMA7, Assistant professor of Orthopaedic surgery Benha Faculty of Medicine for his unfailing advice and generous help. His gifted talent and witty hints smoothed a lot of the material that otherwise seemed tough and unacceptable.
