Dedication

My dedication goes to my family;

*My loving, tender and encouraging
mum and dad*

Who are the true souls behind this work;

*and my supportive and adorable
sister and brother*

Who are always there for me.

A family that is always behind my achievements.

A family that I wouldn't trade for the world

Acknowledgment

First of all, I thank God who guards our steps for all of His gifts and for enabling me to put this work together.

I'd like to thank Prof. Dr. Magd F. Zakaria for his guidance and patience. He was extremely encouraging and supportive all through the way. I'm so much grateful for his valuable opinions that were very much enlightening for me.

Also, my gratitude and respect go to Prof. Dr. M. Yasser Metwally who offered me a great deal of help and guidance.

My thanks to Dr. Nahla El Said are beyond telling. Her understanding and proposed ideas were helpful and encouraging.

*Sincerely, I extend my deep respect to and gratitude to
Prof. Dr. Amira A. Zaki for her kind and
exceptional support. Though I owe her much, I can't
express my tremendous gratitude for her.*

*I'm also indebted to my professors, Prof. Dr. Ossama
Abdulghani, Prof. Dr. Taha Atlloush and Prof.
Dr. Hany Aref for their kindness and encouragement.
They were always there whenever I needed their advice
and support.*

*Lastly, but never the least, I thank all my colleagues and
every member in this department for helping me through
this work.*
