My Parents,  
My Wife &  
My Lovely Son,  
Ahmed

# Acknowledgement

# Acknowledgement

First of all, all gratitude is to **ALLAH** the Almighty who guided and aided me in bringing this thesis to light which has never been crowned by success without the blessing of **ALLAH** to whom may faithful loyalty with remain forever beyond and compromises. I would like to express my sincere gratitude to *Dr. Nawal A. Gad El-Rab*, Professor of Anesthesiology and Intensive Care, Faculty of Medicine, Assiut University, for her great help, constructive suggestions, excellent guidance and eminent supervision which tided me over the difficulties I met with throughout this work. I would like to express my deep and extreme appreciation to my kind teacher *Dr. Zein Elabedin Z. Hassan*, Assistant Professor of Anesthesiology and Intensive Care, Faculty of Medicine, Assiut University, for great encouragement, unlimited efforts in bringing out this work, his kind support, valuable instructions and for continuous guidance in every stage of this work. I would like to express my immense gratitude and appreciation to *Dr. Ahmed M. Makhlouf*, Assistant Professor of Obstetric and Gynecology Faculty of Medicine, Assiut University, for his continuous encouragement, valuable guidance and useful help. Also a special word of thanks to be made to *Dr. Esam M. Abdel Maged Manaa*, Lecturer of Anesthesiology and Intensive Care, Faculty of Medicine, Assiut University, for his great deal with us. It is pleasure to express my sincere gratitude and appreciation to *Dr. Thabet A. Ibrahim*, professor of Forensic medicine and Toxicology, Faculty of Veterinary, Assuit University, for performing and supervising the practical laboratory part of this work. I'm greatly thankful to all my teachers in Anesthesiology Dept., Faculty of Medicine, Assuit University, for their very kind and useful advises and their continuous valuable help, also my great thanks sent to my patients for their cooperation and help.
