ACKNOWLEDGMENT

I would like to record my deep gratitude to the *late Prof. Dr. Saleh A. Awad*, Professor of Physical Chemistry, Girls College for Arts, Science and Education, Ain Shams University, for suggesting the subject investigated and for his valuable advice, which will always be a guiding light to me.

I am deeply grateful to *Dr. Zeinab A. El Hadi* Assistant Professor of Physical Chemistry, Girls College for Arts, Science and Education, Ain Shams University, for her valuable guidance and continuous supervision during the progress of this work.

Thanks are also indebted to *Dr. Aisha K. Abdel Aziz* Assistant Professor of Physical Chemistry, Girls College for Arts, Science and Education, Ain Shams University, for her supervision, valuable help and revising this work.

Thanks are also due to *Dr. Sohair S. Mahmoud* Lecturer of Physical Chemistry, Girls College for Arts, Science and Education, Ain Shams University, for her co-operation and sincere help.

Many thanks are given to the Head and all the members of the Chemistry department especially my Colleagues in the laboratory of electrochemistry and corrosion for their help and co-operation.

At last, I am very grateful to all the members of my family for their patience and continuous moral support.
