Dedication...

*This work is dedicated to my family
for their continuous efforts and
support*

Acknowledgement

This work would never be crowned by success without the blessing of "GOD", who helped us in that work and to whom our faith will be forever beyond any compromise.

I am deeply indebt to express my deepest thanks, extreme appreciation and gratitude to **Prof. Dr. Karam Allah Ramadan Ahmed**, Professor and Head of Orthopedic Surgery and Traumatology Department, Assiut University Hospitals, Faculty of Medicine, Assiut University, for his great help and support in supervising me while preparing this essay. He also assisted me very much in clinical practice in residence period in Assiut University Hospital. Thanks for his meticulous care and his constructive criticism.

I would also like to express my sincere appreciation and respective gratitude to **Prof. Dr. Tarek Abdallah El-Gammal**, Professor of Orthopedic Surgery and Traumatology, Chief of Reconstructive Microsurgery Unit, Faculty of Medicine, Assiut University, for his continuous supervision, guidance, encouragement and advise through all the work.

I would like to offer my great thanks to **Dr. Yasser Emam Khalifa**, Lecturer of Orthopedic Surgery and Traumatology, Faculty of Medicine, Assiut University, for his continuous care, help, and support to establish this work.

I am greatly honored to express my deepest gratitude and thanks to **Prof. Dr. Galal Zaki Said**, Professor of Orthopedic Surgery and Traumatology, Assiut University.

It is a great pleasure to express my thanks to all my teachers in Orthopedic Department, Assiut University, especially **Prof. Dr. Abdel Khalik H. Ibrahim, Prof. Dr. Essam El-Shereef, Prof. Dr. Maher El-Assal** for their continuous encouragement and trust.

Special thanks to **Dr. Amr El-Sayed Ali, Dr. Mohamed M. Kotb, Dr. Ahmed El-Sayed Semyia, Dr. Ramy El-Nakieb** for their great help and brotherly guidance.

Thanks to all my colleagues in Orthopedic Department for their continuous help and support.
