Cairo University

# DEDICATION

This work is dedicated to my family; my father, my mother and my sister for their love, care and support and to my husband and daughter, to whom I owe everything, I ever did and will achieve.

Thank you all for being there for me.

# ACKNOWLEDGMENT

I would like to express my deep gratitude to **Professor Doctor Farid Mohamed Sabry El-Askary**, Head of the Operative department, Faculty of Dentistry, Ain Shams University and Professor of Operative Dentistry, Faculty of Dentistry, Ain Shams University, for his time, supervision and valuable advices.

My sincere appreciation goes to **Doctor Ashraf Mohamed Abdel-Rahman Abu-Seida**, Associate Professor of Surgery, Anesthesiology and Radiology, Faculty of Veterinary Medicine, Cairo University, for his encouragement and help.

I would like to genuinely thank **Professor Doctor Hisham Abdel-Wahab**, Professor of Operative Dentistry, Faculty of Dentistry, Ain Shams University, for assisting me during the early planning of this study.

Special thanks to my friends and colleagues of the Operative Department, Faculty of Dentistry, Ain Shams University, for their support and encouragement. Last but not least, I wish to thank **Doctor Maram Obeid**, Lecturer of Endodontics, Faculty of Dentistry, Ain Shams University, for being there for me every time I needed her.
