RESPONSE OF RADISH PLANT TO ALUMINUM STRESS

Thesis submitted to

**THE FACULTY OF SCIENCE
TANTA UNIVERSITY**

In Partial Fulfilment of the Requirements for

**M. Sc. Degree
BOTANY
(Physiology)**

by

**Shaimaa Abd-El Hameed Mohamed
B.Sc. 1994**

**Botany Department
Faculty of Science
Tanta University**

2000

DEDICATION

TO

MY FAMILY

ACKNOWLEDGEMENTS

Thanks to the mighty, merciful and compassionate God for his help in the performance of this work.

I would like to express my deep gratitude to **Dr. Awatif Ali Mohsen**, Professor of Plant Physiology, for her help, suggestion and supervision of the research programme. Her assistance and help during the preparation of the manuscript are greatly acknowledged.

My thanks and gratitude are also due to **Dr. Bahia Abd El-Salam Abd El-Ghaffar**, Assistant professor of Plant Physiology, for her help and follow up during the research. Her assistance and help with the manuscript are highly appreciated.

My thanks and gratitude are also to **Dr. El-Sayed Abd El-Latif Foda**, Lecturer of Plant Physiology for his help and follow up during the research. His assistance and help with the manuscript are highly appreciated.

Thanks are also extended to my colleagues and all staff members of the Botany Department.

Finally, grateful thanks are recorded to my family for their patience and support throughout this work.

SUPERVISORS

Dr. Awatif Ali Mohsen

Professor of Plant physiology,
Botany Department ,
Faculty of Science ,
Tanta University ,
A.R. E.

**Dr. Bahia Abd El – Salam Abd E
I – Ghaffar**

Assistant Professor of plant Physiology ,
Botany Department ,
Faculty of Science ,
Tanta University ,
A.R. E.

Dr. El – Sayed A. Foda

Lecturer of plant physiology ,
Botany Department ,
Faculty of Science ,
Tanta University ,
A.R. E.

Head of the Botany Department

Prof. Dr. Abd El – Fattah Badr Mohamed Badr

N O T E

Apart from the work , carried out in this thesis , the Candidate had attended post – graduate courses for one Academic year covering the following topics :

- 1- Instrumental analysis and chromatography.
- 2- Physiology of microorganisms.
- 3- Advanced biochemistry and organic acid metabolism.
- 4- Water relations , stomata , permeability and ion absorption.
- 5- Manometric techniques.
- 6- Free studies in genetics.
- 7- Nitrogen metabolism.
- 8- German language.

She had successfully passed a written examination in these studied courses.

Head of the Botany Department

Prof. Dr. Abd El-Fattah Badr Mohamed Badr.

TO WHOM IT MAY CONCERN

This is to certify that this work has not been previously submitted for any degree at this or any other university.

Shaimaa Abd. El-Hameed

CURRICULUM VITAE

Name : Shaimaa Abd El-Hameed Mohamed
Date of Birth: 1 / 1 / 1973
Social Status: Married
Nationality: Egyptian
Locality: Tanta
Qualification: B. Sc. in Botany (1994) with grade
very good (Hons.). Faculty of Science,
Tanta University.
Professional Career: Demonstrator, Botany Department,
Faculty of Science, Tanta University.
