ACKNOWLEDGEMENTS

No word of gratitude would be enough to express my deep indebtedness to Dr. Thoraya G. Herakly, Professor of English and American Literature, Women's College, Ain Shams University, for her constructive supervision, valuable advice and constant support. Her kindness, tolerance and unlimited understanding have actually helped me throughout the work.

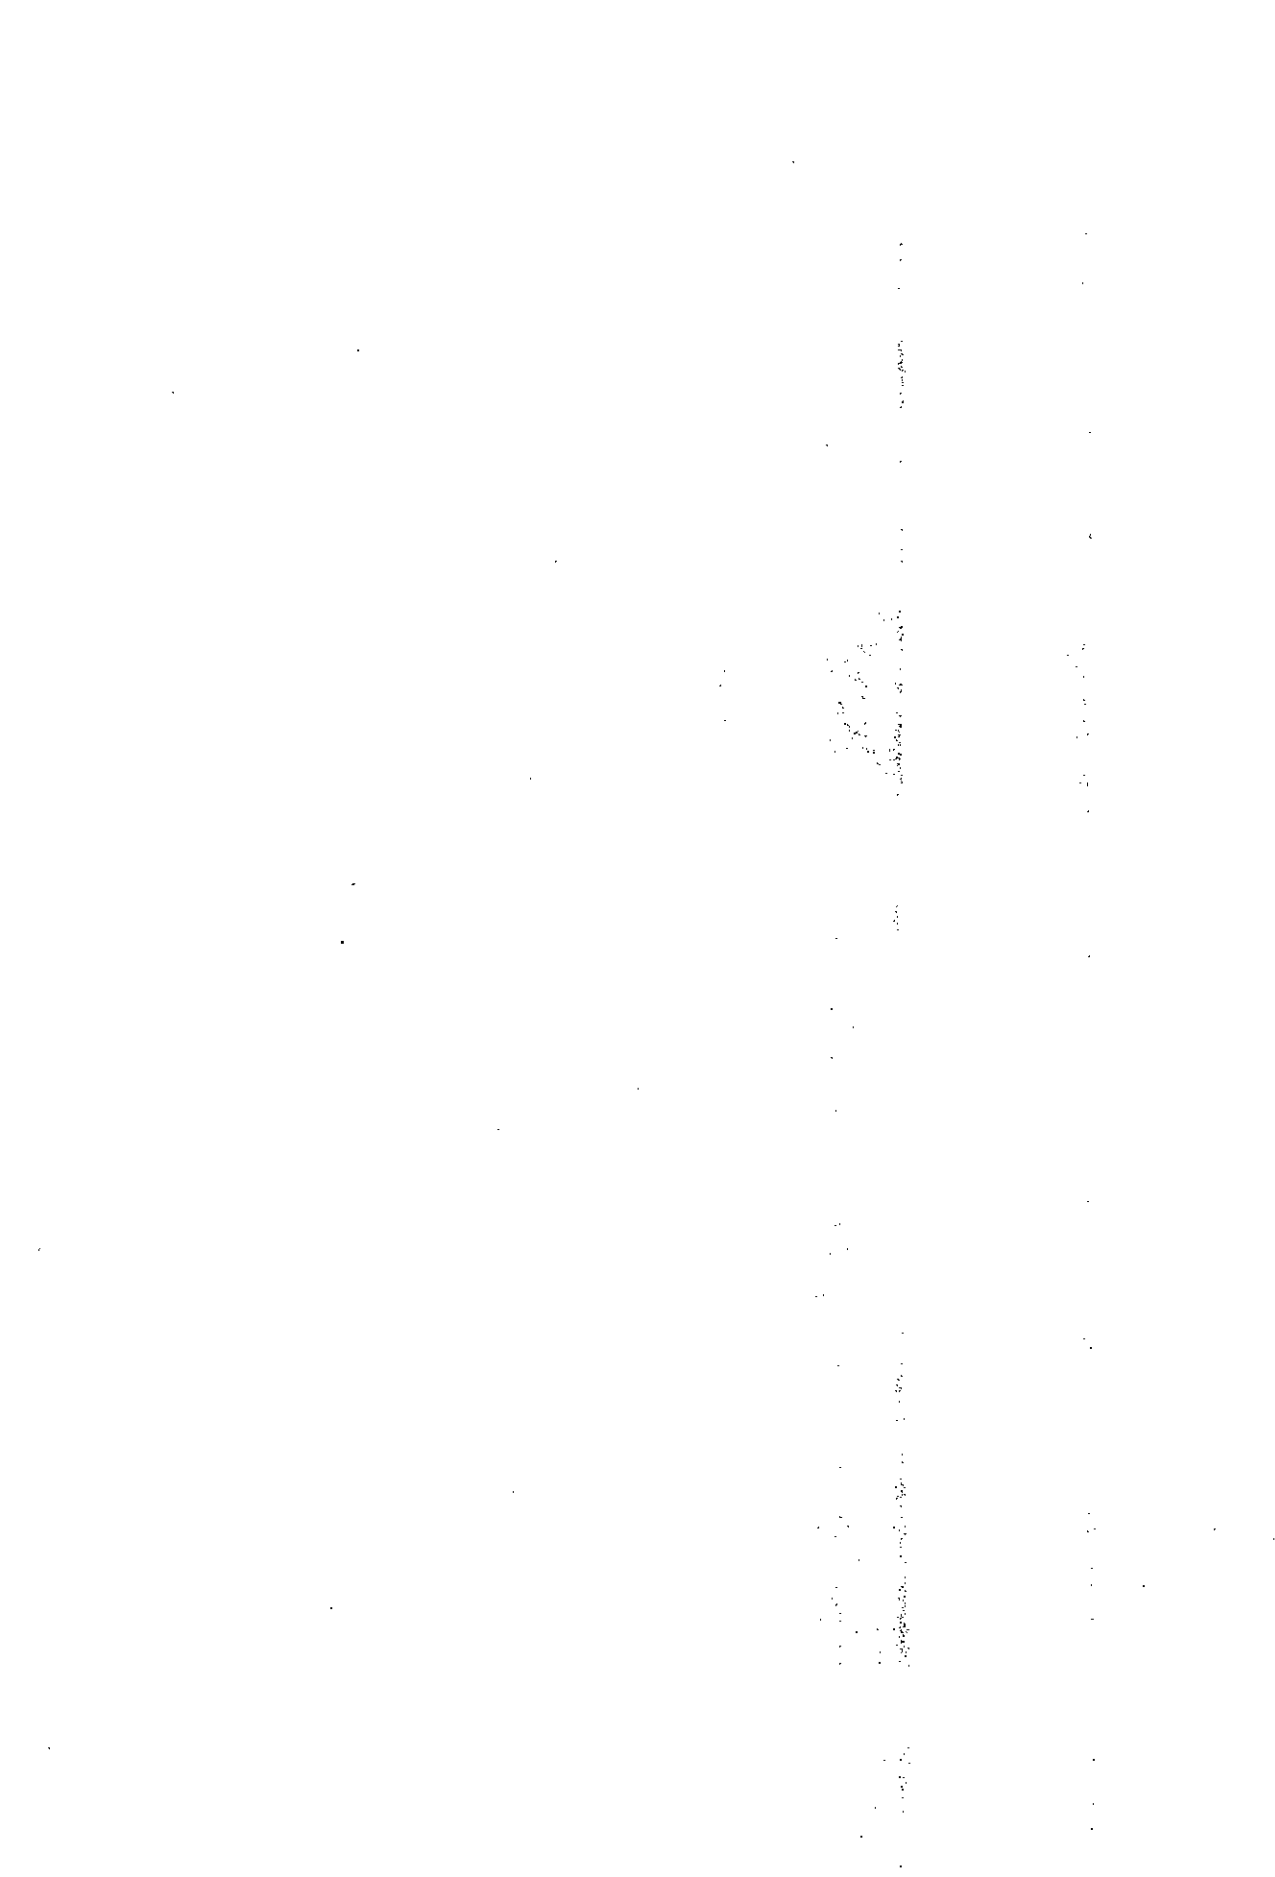

I am also greatly indebted to the late Professor Latifa Al-Zayyat (now deceased) Professor of English Literature, Women's College, Ain Shams University, who had first suggested the idea of this thesis.

I would like also to express my deep gratitude and respect to my dear father and mother for their sympathy and constant encouragement.

My deep indebtedness and heartfelt gratitude go to my dear husband for his patience, open heartedness and, more importantly, for the spiritual backing he used to show me throughout the work.
