

**In Vitro Antibacterial Efficacy of Aloe vera
Solution and Chlorhexidine as Root Canal
Irrigants in Primary Teeth Contaminated with
Enterococcus faecalis**

Thesis submitted to
The Department of Pediatric Dentistry and Dental Public
Health, Faculty of Dentistry, Ain Shams University
In partial fulfillment of the requirement for the master's
Degree in Pediatric Dentistry

Presented By
Radwa Abd El Aziz El Shakhs
(B.D.S 2007)

ACKNOWLEDGEMENT

*I would like to express my deepest gratitude and admiration to **Dr. Nadia Ezz El Din Metwalli**, Professor of Pediatric Dentistry and Dental Public Health, **Faculty of Dentistry, Ain Shams University***

I would like to thank her for her continuous guidance, encouragement, and positive attitude.

*My most sincere appreciation and gratitude to **Dr. Mariem Osama Wassel**, Lecturer of Pediatric Dentistry and Dental Public Health, **Faculty of Oral and Dental Medicine, Ain Shams University**, for her guidance, time, advice, insightful criticism and valuable comments .Words stand short when expressing my gratefulness for her valuable guidance and instructions from the beginning and throughout the whole work,*

*My great appreciation to **Dr. Soha Abd El Hamid El-Hady** Professor of Medical Microbiology and Immunology Microbiology and Immunology Department **Faculty of Medicine, Ain Shams University**, for her profound effort in this work thank you so much.*

I would like to express my deepest respect to my Professors and staff members of Pediatric Dentistry and Dental Public Health department for their support and concern.

At last I would really like to thank my dearest friends and colleagues for their help & constant support.

DEDICATION

*I dedicate this thesis to all my family and friends for their
Endless love and support*

***My Father**, for all the encouragement and motivation to
Fight and face all the obstacles. You have been the best
symbol of a great father, I Hope I always make you proud*

***My Mother**, the symbol of love and giving, she always
leads me through valleys of darkness with light and hope.
Her unconditional and pure love, moral support and
prayers day and night are the reasons I am who I am today*

*Last but not least to my lovely **sister, brothers and
Amazing friends' Fatma and Dina** for their support for
being there for me through ups and downs.*

List of Abbreviation

Abbreviation	Term
<i>Aloe vera</i>	Aloe barbadensis miller
<i>BHI</i>	Brain Heart Infusion
<i>CFU</i>	Colony forming units
<i>CHX</i>	Chlorhexidine
<i>C.albicans</i>	Candida albicans
<i>DMSO</i>	Dimethyl sulfoxide
<i>E.faecalis</i>	Enterococcus faecalis
<i>GP</i>	Gutta percha
<i>G</i>	Gauge
<i>Naocl</i>	Sodium hypochlorite
<i>PCR</i>	Polymerase Chain reaction
<i>PSI</i>	Pounds per square inch
<i>RCT</i>	Root canal treatment
<i>SD</i>	Standard deviation
<i>S.mutans</i>	Streptococci mutans
<i>WHO</i>	World Health Organization
<i>ZOE</i>	Zinc Oxide and Eugenol
