Dedication

This thesis is dedicated to my parents who taught me to choose a goal in life and to stick to it, who encouraged me to believe in my potentials and to remember Allah in every step I take. I also dedicate it to my beloved wife and kids, the best part of every day, and my in-laws for their patience, extraordinary tolerance, and support.

To them I also would dedicate this doctoral degree with my love and gratitude.

Acknowledgment

My respect and appreciation to my advisor, Dr. Salam El-Hafez for her guidance, support and efforts. Thank you for your care since I was an under-graduate student. My appreciation goes to your wonderful help and thorough work.

My gratitude, respect, and admiration go to my role model, mentor and advisor, Dr. Ashraf El-Azzazi. Thank you for taking care of me and for reshaping my way of thinking. Your knowledge, faith, manners have and will always be an inspiration to me. To my mentor, brother, and friend: thank you

I would like to express my gratitude and respect to my god father, Dr. Mohammed Fouad Khalil, who has been very supportive of me. I will always respect and learn from you.

I would like to thank my fellow colleagues at Utica College, New York for their ongoing help and continuous support. My love and appreciation to my mentors; Dr. Dale Scalis-Smith, Dr. Jim Smith, Dr. Molly Christ, Dr. Tom Christ, Dr. Mary Jan Gelsomino, Dr. Dawn Evans, and Dr. David Schilling. To all: thank you, I will never forget your help.

My appreciation goes to Dr. Ibrahim Ahmed the chairman of the Department of Statistics, Colgate University, New York, for his
