## **Dedication**

This work is dedicated to my parents for the unconditional love and support they gave me through my whole life.

## **Acknowledgement**

I wish to thank all those who helped me to finish this work. Without them, I could not have completed this thesis.

I would like to express profound gratitude to my advisor, Dr. Nourhan ElSheikh, for her invaluable support, encouragement, supervision and useful suggestions throughout this research work. Her continuous guidance enabled me to complete my work successfully.

I take this opportunity with great pleasure to thank Prof. Dr. Mahmoud Ismail and Ambassador Dr. Mostafa Abdel-Aziz as members in defense committee jury; I would like to thank them in advance for the insightful comments and their precious time in reviewing my work.

Most especially, I thank my family: my parents, words alone cannot express what I owe them for their unconditional love, support and encouragement to pursue my interests, and whose patience enabled me to complete this thesis. I also wish to thank my brother and my sister for their support.

I would also like to thank my fiancée, Mohamed, for his support and encouragement throughout the completion of this thesis.

Thanks to my invaluable supportive and loving friends without whom I could not have finished this dissertation.

And above all I thank God, who made all things possible.
