Acknowledgements

First of all, I'm deeply thankful and humbly grateful to the merciful God for his mighty grace that enabled me to study and be teachable.

My thanks and gratitude goes to all the people who helped me in accomplishing this study.

My deepest gratitude and most earnest acknowledgment goes to my *Prof. Abdul Hamid Abdel Monem Okda*, the main supervisor of the research, for his time, assistance, valuable advice, painstaking proofreading and his patience. His great help, directions and encouragement helped me a lot in accomplishing this study. I thank him very much for his sincere help.

I would like to extend my sincere thanks to *Dr. Ashraf Mohamed Abdul Badea*, Lecturer of Accounting at the Faculty of Commerce, Assiut University and one of the present supervision committee numbers.

I would also like to acknowledge *Dr. Safaa Al Din Mohamed Zafer*, Lecturer of Accounting at the Faculty of Commerce, Assiut University, who was one of the supervision committee for his help and guidance.

I also owe special appreciation to:

Professor *Dr. Mohamed Hamdy El-Nashar* Professor of Accounting, Faculty of Commerce, Assiut University, Former president of the University and Former Minister of Finance.

Professor Dr. El Sayed Abdul Maksoud Debian, Professor of Accounting, Faculty of Commerce, Alexandria University, and Former Dean of Faculty of Commerce, Beirut University.

I thank them a lot for taking the time to read and comment on an earlier version of this study.

Far too many people to mention individually have assisted in so many ways during my work. I would like to express my sincere thanks to all my professors, colleagues and library employees at the Faculty of Commerce, Assiut University, headed by *Prof. Mohamed Ibrahim Mansour*, the dean, for their kind help in preparing this study.

Finally, I would like to extend my special thanks and appreciation to the general manager and all the employees of the chosen firm in the case of the study, for their time, cooperativeness and the information they provided me to carry out this empirical study.

May God Reward Them All.
