and appreciations

ACKNOWLEDGEMENTS

ACKNOWLEDGEMENTS

I would like to express my deepest appreciation to Prof. *Dr. M. A. Gameh*, Professor of Soil Science, Dept. of Soils and Water, Faculty of Agric., Assiut Univ., who suggested the problem and supervised during the study and the writing of this thesis.

Many thanks and gratefulness go to Prof. *Dr. S. M. Mahmoud*, Professor of Soil Science and Chairman of Dept. of Soils and Water, Faculty of Agric., Assiut Univ., for his supervision, giving freely his time, advice through the work and in reviewing the thesis.

I wish to express sincere gratitude to *Dr. Salah H. Abd El-Aziz*, Dept. of Soils and Water, Faculty of Agric., Assiut Univ., for his participation in supervision, valuable help and kind advice through this study.

Finally, I thank all the faculty members and my colleagues in Dept. of Soils and Water. Faculty of Agriculture, Assiut University for their kind help during the course of this work.
