ACKNOWLEDGEMENT

*I wish to express my deepest and ultimate gratitude to Prof. Dr. **Taymour Mostafa**, Professor of Andrology & STDs, Faculty of Medicine, Cairo University, who suggested the subject and helped me to take the first step. His kind supervision and parental attitude could not be denied. Also, his continuous guidance and kind encouragement throughout this work upgraded its quality.*

*I wish to express my thanks and deepest gratitude to Prof. Dr. **Zakaria Abdel Hamid**, professor of Histology, Faculty of Medicine, Cairo University. His faithful encouragement, continuous guidance, valuable advices gave me the motive to utilize available resources in order to put this thesis in an acceptable form.*

*I'm grateful also to Dr. **Medhat Amer**, Ass. Prof. of Andrology & STDs, Faculty of Medicine, Cairo University, who proposed, supervised and revised this thesis. His continuous advice and follow-up especially throughout the practical part of the work, was a stimulus for its completion.*

*In addition, I'm grateful to Dr **Larissa** of Electron Microscope Unit, Ain Shams University for her faithful cooperation in the electron microscopic part of this study as well as the magnificent distinguished interpretation of the results.*

*I'm indebted also to Dr. **Emad Fakhry** , Dr. **Mohamed Nasser** and to all staff members of Adam's International Hospital for their kind guidance and great help during the practical part of this work.*

*I'm also thankful to all the staff members of the **Andrology Department**, Kasr El Aini Hospoital for their kind help and supervision throughout this work.*
