سورة البقرة الآية ٢٣٣

Acknowledgements

First and for most I feel always indebted to Allah. the most kind and most merciful.

I would like to express my deep gratitude to Prof. Dr. Nadia Mohamed Fahmy, Prof of Maternity. Neonatal Nursing, faculty of Nursing. Ain shams University. I am indebted to her meticulous supervision, constructive criticism, unlimited help, motherly attitude that has made the easiest out of the most difficulty and I would not have been able to start and reach of this work.

I turn with a grateful heart to express my appreciation for the expert assistance of Prof. Dr. Sameh Mahmoud Abd El Hafez – Prof of Obstetric and gynecology faculty of Medicine – Ain shams University – for his meticulous supervision, tireless efforts, fruitful guidance, all are deeply and heartily appreciated.

I am specially indebted and feel appreciation to Prof Dr. Kamilia Ragab Abou Shabana, Assistant Prof. of Maternity. And Neonatal. Nursing, faculty of Nursing. Ain shams University, for her close supervision cooperation, encouragement, constructive criticism and available guidance. she has always been and will continue to be a great personal pleasure being a student of her.

I would like to express my deep thanks to every one help me in this work (Mothers, Health team,.... etc).

Last but not least I thank sincerely my father, my mother. Sisters, my brothers, lovely son Mohammed and my lovely daughter Laila my lovely husband Dr. Fawzy Nor El-Hoda for being always tolerant and encouraging during the time of stress.
