TO MY FAMILY

ACKNOWLEDGEMENT

First, thanks to Allah to help to do and complete this beneficial work.

I would like to introduce my great gratitude and appreciation to my Professor Dr. *Kamal EL-Gafary* (the Prof. of orthopaedics and traumatology, Assiut University) for his great effort and continuous encouragement and constant help and his open mind that help me to choose this very beneficial and practical work, thanks for his meticulous care.

Special gratitude and thanks to Dr. Faysal Fahmy, (the Assistant Prof. of orthopaedics and traumatology, Assiut University), for his continous help and care and his encouragement.

I would like to express great thanks to Dr. ALMoataz El Sabrot, (the Assistant Prof. of orthopaedics and traumatology, Assiut University), for his continous assistance and continous advise.

I wish to express my sincere gratitude and appreciation to my Prof. Dr. *Karamallah Ramadan Ahmed*, (the head of the orthopaedics and traumatology department, Assiut University Hospital), for his meticulous care and continous supervision which are taken from his precious time, and I thank him for his fatherly encouragement and instructions which help us all to more and more development.

My proud and my respectful gratitude to my Prof. Dr. Galal Zaki Said (the Prof. of orthopaedics and traumatology, Assiut University) the man I am very proud to work under his great idial basics of orthopaedics and traumatology and his fatherly guidance and very meticulous care and supervision.

My heartful thanks to Prof. Dr. Abdel Khalek Hafez, (the Prof. of orthopaedics and traumatology, Assiut University) I want to express my gratitude to him for his continuous help us to be more and more delicate and scientific, thanks to him very much.

My sincere gratitude and special and heartful thanks to Prof. Dr.

Maher El Assal, (the Prof. of orthopaedics and traumatology, Assiut

University), for his continous assistance and continous advise.

A very special gratitude and heartful thanks to my Dr. Hesham El Kadi for his help and encouragement, many thanks to him.

My heartful thanks to my Dr. Osama Farouk for his sincere help to me in this work.

My sincere respect and thanks to staff members of orthopedics and traumatology departement Assiut University, Prof. Dr. Essam El Shereef, Prof. Dr. Mohammed Anwar, Prof. Dr. Maged Mostafa, Dr. Hassan M. Ali, Dr. Mohammed Gamal, Dr. Tarek El Gammal,
