ACKNOWLEDGEMENT

*I wish to express my sincere gratitude to **Prof. Dr. Saad Z. Mohammed** Professor of Marine Invertebrate, Marine Biology Department, Faculty of Science, Suez Canal University, for suggesting this research topic and his kindly supervision. I'm greatly appreciate his efficient interest, guidance, constructive criticism and review of the manuscript during this work.*

*I'm deeply indebted to **Prof. Dr. Belal A. Soliman** Professor of Med. Entomology, Vice Dean of Faculty of Education, Suez Canal University, Suez for his instructive advices kindness help and cordial affection throughout my study period.*

*I would like to express my appreciation to **Dr. Ali A-F. A. Gab-Alla** Associate Professor of Marine Ecology, Marine Biology Department, Faculty of Science, Suez Canal University, for his sincere efforts helpful suggestion, his efficient interest, guidance, and continuous help during the practical and theoretical parts and constructive criticism, review of the manuscript during this work.*

Thanks are also duo to staff members of Marine Biology Department, Faculty of Science, and Dept. of Biological Science Faculty of Education, Suez, Suez Canal University for their support and cooperation.

Lastly, deserving of special thanks and praise are my mother, brothers, sisters, and my wife, with their spiritual inspiration and encouragement this treatise has become a reality.

Mostafa Ahmed
