ACKNOWLEDGEMENT

I would like to record my sincere appreciation to Prof. Dr. **Ahmed Mohamed Mandour**, Professor of parasitology, Faculty of Medicine, Assiut University, for his continuous help, advice and kind support to me, , and overall, his moral support and kindness that gave me and this work a lift of scope of light.

I would like to express my deepest gratitude to Prof. Dr. **Abdel Rhman M. Abdel Rhman El Badr**, Professor and head of parasitology department, Faculty of Medicine, Assiut University, who kindly offered his valuable guidance, eminent supervision, unfailing help and advice with great experience throughout this study.

I would like to express my deepest gratitude to Prof. Dr. **Youssef Abdul Wahed Khodary**, Consultant and head of Lab. Alnoor Specialist Hospital, Holly Makkah, Saudia Arabia, for his continuous help, encouragement, valuable instructions, wise advice and fruitful criticism.

Whatever I will say, my words will still stand short of my supreme gratitude to Prof. Dr. **Ayda Mohamed Ibrahim**, Professor and consultant of Clinical Pathology, for her valuable guidance, & to Prof. Dr. **Ahmed Nassar**, Consultant of Dermatology, who provided me precious data, and helped me in collecting human cases in Alnoor Specialist Hospital, Holly Makkah, Saudia Arabia

I'm also greatly indebted to Dr. **Magda Mahmoud Ali**, Lecturer of animal surgery, Faculty of Veterinary Medicine, Assiut University, for her help direction and support during collection of samples of dogs.

Lastly, thanks to every person who gave me a hand during the progress of this study.

Dina Abdallah
