"وقل رب زدني علما"

1. The first part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

2. The second part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

3. The third part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

4. The fourth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

5. The fifth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

6. The sixth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

7. The seventh part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

8. The eighth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

9. The ninth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

10. The tenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

11. The eleventh part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

12. The twelfth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

13. The thirteenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

14. The fourteenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

15. The fifteenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

16. The sixteenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

17. The seventeenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

18. The eighteenth part of the paper is devoted to a review of the literature on the topic of the role of the state in the development of the economy.

## **Acknowledgement**

*First, I should thank "God" who helped me all through to achieve this work.*

*I would like to express my profound and sincere gratitude to **Prof Dr. Mohamed Magdy Mostafa**, Professor of Cardiothoracic Surgergery, Faculty of Medicine, Ain Shams University, who enlightened the way to complete this work with his precious advice, endless help and fatherly attitude.*

*I owe a deep gratitude to **Dr. Gamal Sami Sayed Mohamed**, Assistant Professor of Cardiothoracic Surgery , Faculty of Medicine, Ain Shams University, for his constructive criticism, and continous guidance and who contributed his valuable time and effort in the supervision of this study.*

*I wish also to express my deep appreciation to **Dr. Hosam Fadel El-Shahawy** , Lecturer of Cardiothoracic Surgery , Faculty of Medicine, Ain Shams University, who kindly supervised and generously helped me all the way to the end of this study.*

the 1990s, the number of people in the world who are under 15 years of age is expected to increase from 1.1 billion to 1.5 billion. The number of people aged 65 and over is expected to increase from 250 million to 450 million. The number of people aged 15 and over is expected to increase from 3.5 billion to 4.5 billion. The number of people aged 15 and over is expected to increase from 3.5 billion to 4.5 billion. The number of people aged 15 and over is expected to increase from 3.5 billion to 4.5 billion.

*To my Family*
