Acknowledgement

First of all I'd like to thank Allah for his entire blessing.

I would like to express my deepest gratitude to *Prof. Dr. Mohammed Fekry Ismail* Professor of organic chemistry, Chemistry department, Ain Shams university, not only for his suggesting the problems, investigation, but also for his continuous help, encouragement and valuable discussion.

Also, I wish indebted to Dr. Fekria Sayed Sayed assistant Prof. Of organic chemistry, Chemistry department, Ain Shams university, for her continuous cooperation and advice, and for providing the facilities needed throughout the writing and revision of this work.

Special thanks are also expressed to Dr. Hanan Abdel-Rahman lecture of organic chemistry. Chemistry department, Ain Shams university, for her kind helps throughout the progress of this work.

And I can't deny the efforts that paid by my colleagues for whom special thanks should be expressed.
