Title thesis:

**"Upper Cretaceous macro-invertebrate fauna
from Gebel Shabrawet and El Giddi Pass
sections, Egypt"**

SUPERVISORS

The Late Prof. Dr. / Amin Mahmoud Abdallah
Professor of Structure & Stratigraphy,
Faculty of Science, Geology Dept., Cairo University

Prof. Dr. / Gouda Ismail Abdel-Gawad
Professor of Macropaleontology, Vice Dean of the
Faculty of Science, Cairo University (Beni Suef Branch). 

Dr. / Samia Kamal Ibrahim 
Lecturer of Igneous rocks,
Faculty of Science, Geology Dept., Suez Canal University.

Examiners Committee

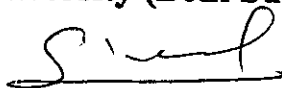

Prof. Dr.: Ahmed Salem Aly Salem Kassab
Prof. of Palaeontology and Stratigraphy
Geology Department, Faculty of Science,
Assiut University

Prof. Dr.: Mohammed Abdel-Qadr Boukhary
Prof. of Palaeontology and Stratigraphy
Geology Department, Faculty of Science,
Ain Shams University

Prof. Dr.: Gouda Ismail Abdel-Gawad
Prof. of Macropalaeontology
Geology Department, Faculty of Science,
Cairo University (Beni Suef Branch)

To
My lovely daughter Norhan

ACKNOWLEDGMENTS

I am greatly indebted to Prof. Dr. Amin M. Abdellah, Geology Department, Cairo University who died during this work for his kind supervision and guidance during the progress of this work.

I would like to express my deepest gratitude to Prof. Dr. Gouda I. Abdel Gawad, Geology Department, Cairo University, Beni Suf Branch, who suggested the point of research, continuous and kind supervision, providing the required literature, fruitful discussion and careful revising of the manuscript.

Special thanks are due to Dr. Samia K. Ibrahim, Geology Department, Suez Canal University for her supervision and valuable help during the progress of this work.

Great appreciation and gratitude are due to Prof. Dr. El-Arabi H. Shendi, Head of Geology Department, Faculty of Science, Suez Canal University for unlimited facilities and continuous encouragement.

Great thanks to Dr. Mohamed F. Aly, Ass. Prof., Geology Department, Cairo University and Dr. Shaban Saber, Ass. Prof., Geology Department, Cairo University, Beni-Suef Branch for their help in the field and kind co-operation. In addition, a great thanks to Mr. Gamal El-Qat Ass. Literatural, Geology Department, Banha, Zagazig University for help in identification of the echinoids.

Deep and grateful thanks to my husband, Mr. Ashref I. Awadallah for his continuous encouragement and support all the time during the progress of this work, also the photos were taken by him.

Also, I wish to express my especial thanks to my parents and sisters, especially my sister Hanan for her continuous encouragement.
