To my Family

Acknowledgement

First; thanks are all due to **GOD** for blessing this work until it has reached its end, as a part of His generous help throughout my life.

I would like to extend my utmost gratitude and appreciation to **Prof. Dr. Fatma Kamel Abd El-Motaal**; professor of Physical Medicine and Rehabilitation, Faculty of Medicine, Ain Shams University, for the great guidance and encouragement she gave me throughout this work. It is a great honor to work under her supervision.

I am very thankful to **Prof. Dr. Nehal Ebrahim El-Sheshtawy**; assistant professor of Physical Medicine and Rehabilitation, Faculty of Medicine, Ain Shams University, for her great support, valuable and wise guidance during the whole work.

I would like to thank, **Prof. Dr. Amany Haroun El-Rasheed**; assistant professor of Psychiatry, Faculty of Medicine, Ain Shams University, for her close supervision, continuous help and the great effort she made during the preparation and revision of this work.
