## **Acknowledgement**

*I am immensely indebted and grateful to Prof. Sawsan Said, Prof. of Clinical Pathology, Faculty of medicine, Ain-Shams University for the much I gained from her thorough experience. With an outstanding kindness and humbleness, she urged me and so I did my best in order to satisfy her earnest directives.*

*I would like to express my gratitude and respect to Prof. Mostafa Hemeda, Prof. and Head of Plastic Surgery Department, Faculty of medicine, Ain-Shams University for his great help and generosity. With his kind acceptance, he allowed me to take samples from his patients.*

*I owe a lot to Prof. Ola El Demerdash, Prof. of Clinical Pathology, Faculty of medicine, Ain-Shams University for her tremendous support and mere generosity in my master's degree and in this thesis. Her being extremely accurate and energetic enabled me to carry on with this job hastily and meticulously.*

*I'm very thankful to Dr. Mona Zaki, Assiss. Prof. of Clinical Pathology, Faculty of medicine, Ain-Shams University for her concrete and psychological support in my master's degree and in this thesis. Her being patient, sincere, and generous supplied me with all aids for achieving this work.*

*Lastly but not the least I would like to thank Dr. Mona Mostafa, Lecturer of Clinical Pathology, Faculty of medicine, Ain-Shams University for her continuous help all through this study, especially the practical part of it.*
