A THESIS

*Submitted To The Faculty of Science,
Aswan - South Valley University
In Partial Fulfillment For The Requirements Of The Degree
Of Master Of Science
"Organic Chemistry"*

BY

NAGLAA SALAH EL-DEEN MOHAMED HASSAN

(B. Sc. In Chemistry)

Supervised by

Prof. Dr. A. I. M. Koraiem (El-Aswany)

**Professor of Organic Chemistry (Chemistry Department)
and Vice Dean of Post graduate and Research Studies,
Aswan-Faculty of Science.**

**Dr. A. M. Abou-Douh
Lecturer of Organic Chemistry
(Chemistry Department)
Aswan-Faculty of Science**

**Dr. M. A. Barsy
Lecturer of Organic Chemistry
(Chemistry Department)
Aswan-Faculty of Science**

ACKNOWLEDGEMENT

" I DO THANK GOD FOR ALL GIFTS HE GAVE ME"

I wish to express my sincere thanks and gratitude to Professor **Dr. A. I. M. Koraiem**, Professor of Organic Chemistry, (Chemistry Department) Aswan- Faculty of Science, and Vice Dean of Post graduate and Research studies, South Valley University, for his supervision, suggesting and planing the point of research, valuable and helpful comments which made this thesis in its present form.

Deep thanks for **Dr. A. M. Abo-Douh** and **Dr. M. A. Barsy**, Lecturers of Organic Chemistry, (Chemistry Department), Aswan -Faculty of Science, for their encouragements and facilities provided.

Thanks also for **Dr. R. M. Abd El-All** Lecturer of Organic Chemistry, (Chemistry Department), Aswan -Faculty of Science, for his helpful comments of the part II of the thesis,

My best thanks to Professor **Dr. M. A. El-Maghraby** Professor of Organic Chemistry, Dean of Aswan -Faculty of Science and Professor **Dr. R. M. Awadallah**, Professor of Analytical and Inorganic Chemistry and Chairman of Chemistry Department, Aswan faculty of science for their encouragements.

My grateful thank to all staff members of Chemistry Department, Aswan Faculty of Science, for their sincere co-operation.

I must also offer my gratitude to my family for their help and moral support. I cannot appreciate what they done for me.
