

***Ain Shams University
Faculty of Science
Chemistry Department***

***Preparation of Nano Scale Micro
Emulsion Binders and Their Utilization
through New System For Pigment
Printing***

By

Zain El-Abedein Mohamed Mahmoud

M. Sc. in Science (Chemistry)

**A Thesis Submitted for Degree of Doctor of
Philosophy of Science**

**To
Chemistry Department
Faculty of Science
Ain Shams University
2013**

Ain Shams University
Faculty of Science
Chemistry Department

**Preparation of Nano Scale Micro
Emulsion Binders and Their Utilization
through New System for Pigment Printing**

Thesis
Submitted by

Zain El-Abedein Mohamed Mahmoud
(M. Sc. in Chemistry)

**For Fulfillment of the Degree of Ph. D.
in Chemistry**

Supervised by

Prof. Dr. Ahmed Ismail Hashem

Professor of Organic Chemistry, Department of Chemistry, Faculty of
Science, Ain Shams University.

Prof. Dr. Karima Mohamed Mounir Haggag

Professor of Textile Chemistry and Technology, Dyeing, Printing and
Auxiliaries Department, Textile Research Division, NRC.

Prof. Dr. Abdel Rahim Ramadan Abdel Ghani

Professor of Textile Chemistry, Faculty of Applied Arts, Hellwan
University

Prof. Dr. Fayza Abdel Aziz Kantouch

Professor of Textile printing, Dyeing, Printing and Auxiliaries
Department, Textile Research Division, NRC.

Approval Sheet

**Entitled: Preparation of Nano Scale Micro Emulsion Binders and
Their Utilization through New System For Pigment Printing**

Submitted by

Zain El-Abedein Mohamed Mahmoud

For Ph. D. in Chemistry

**Is Approved by
Thesis Advisors**

Signature

Prof. Dr. Ahmed Ismail Hashem

**Professor of Organic Chemistry
Department of Chemistry
Faculty of Science, Ain Shams University.**

Prof. Dr. Karima Mohamed Mounir Haggag

**Professor of Textile Chemistry and Technology
Department of Dyeing, Printing and Auxiliaries.
Textile Research Division, National Research Center.**

Prof. Dr. Abdel Rahim Ramadan Abdel Ghani

**Professor of Textile Chemistry
Faculty of Applied Arts
Hellwan University**

Prof. Dr. Fayza Abdel Aziz Kantouch

**Professor of Textile printing
Department of Dyeing, Printing and Auxiliaries.
Textile Research Division, National Research Center.**

Head of Chemistry Department

Maged Shafik Antonious

Acknowledgment

ACKNOWLEDGMENT

First and foremost, I kneel meekly to **ALLAH**, thanking **HIM** for paving the way for me.

I wish to express my thanks and appreciation to **Prof. Dr. Ahmed Ismail Hashem**, Professor of Organic Chemistry, Faculty of Science, Ain Shams University for his supervision, kind cooperation, valuable help and encouragement.

Deepest thanks, sincere gratitude and appreciation are due to **Prof. Dr. Karima Mohamed Mounir Haggag**, Professor of Textile Chemistry and Technology, Textile Research Division, National Research Center, for suggesting the present line of work, continuous supervision, valuable discussion, and careful guidance.

With sincere respect and gratitude, I would like to thank **Prof. Dr. Abdel Raheim Ramadan Abdel Ghani**, Professor of Textile Chemistry, Faculty of Applied Arts, Hellwan University for supervision, kind help, valuable advices, and encouragement.

Thanks are also due to **Prof. Dr. Fayza Abdel Aziz Kantouch** Professor of Textile printing, Textile Research Division, National Research Center, for here supervision and continuous help during the course of this work and continuous encouragement.
