Acknowledgment

"Firstly, my unlimited thanks to Allah."

I express my deep gratitude and appreciation to **Prof. Dr. A.M. Hegazi**, Prof. of Agronomy and Head of Ecology and Dryland Agriculture Division, Desert Research Center, for the supervision of this work. He has been kind enough to provide critical advice and guidance throughout the investigation which provided the foundations of this study.

My sincere thanks are due to **Dr. Zeinab, Y., Abo-Bakr**. Assistant Prof. of Ecology, Botany Department, Collage of Girls, Ain Shams Univ. for supervision, continuous encouragement and generous help in all respects during this investigation.

Sincere thanks are also due to **Dr. Mona, A., Naim** for her fruitful assistance during the experiment work, her constant help and encouragement are highly appreciated.

I am also, grateful to Prof. **Dr. Sohair Abd El- Aziz** present Head of Botany Department and also to **Prof. Dr. Amal Shehab** Vice head of Botany Department and thanks also extended to the staff members of Botany Department, Faculty of girls and to those of Desert research center for their co-operation and facilities which made this investigation possible.
